

technology mindz

**Geo Location Based Product Price
Installation Guide**

For any query or support write us care@technologymindz.com
www.technologymindz.com

1. In the plugin package you will find below structure:

Technologymindz -> ProductFilter ->registration.php

->composer.json

->Block

->etc

->Helper

->view

2. Copy and paste "Technologymindz" in your Magento 2x app/code directory. Clear cache and reindex.

Use command from magento root directory : **php bin/magento setup:upgrade**

To check module status : **php bin/magento module:status**

3. Navigate to Store->Configuration, there you will find it "**TM PRODUCT FILTER**"

The screenshot shows the Magento 2 Configuration interface. On the left is a vertical sidebar with navigation icons for Dashboard, Sales, Products, Customers, Marketing, Content, Reports, Stores, System, Find Partners, and Find Partners & Extensions. The main content area is titled "Configuration" and shows the "TM PRODUCT FILTER" module selected in the left-hand menu. The configuration settings are as follows:

- Product Radius:** Enter Radius(in meters) [GLOBAL]
- Enter Store Latitude:** Enter Store Latitude [GLOBAL]
- Enter Store Longitude:** Enter Store Longitude [GLOBAL]
- Enter Error Message:** Enter Error Message [GLOBAL]

At the top right of the configuration area, there is a "Save Config" button. The footer of the page contains the copyright notice "Copyright© 2016 Magento Commerce Inc. All rights reserved." and the version information "Magento ver. 2.0.6" with a link to "Report Bugs".

4. You need to add simple four fields information there.

Product Radius : just put radius in meters from your store geo coordinate, it will allow add product in cart only within radius users.

Enter Store Latitude : Enter your Store Latitude (you can find it at <http://www.latlong.net/>)

Enter Store Longitude : Enter your Store Longitude (you can find it at <http://www.latlong.net/>)

Enter Error Message : Enter custom message to users outside your Radius.

5. Your custom message will show to user outside radius.

The screenshot displays the LUMA e-commerce website interface. At the top right, there is a navigation bar with the text "Default welcome msg! Sign In or Create an Account". The LUMA logo is on the left, and a search bar with the placeholder "Search entire store here..." and a shopping cart icon are on the right. Below the logo is a horizontal menu with categories: "What's New", "Women", "Men" (which is underlined), "Gear", "Training", and "Sale". A breadcrumb trail reads "Home > Men > Tops > Jackets > Taurus Elements Shell". The main content area features a large image of a man wearing a bright yellow long-sleeved athletic top. To the right of the image, the product title "Taurus Elements Shell" is displayed. Below the title, a red error message states "This product is not available at your location." with a mouse cursor pointing to the word "available". Underneath the message are five star icons, with the first three filled and the last two empty, followed by the text "2 Reviews" and a link "Add Your Review". The price "\$65.00" is shown in a large font, and the SKU number "SKU#: MJ09" is located in the bottom right corner of the product information area.
